## **STANDARD 1: ESTABLISH ROBUST GOVERNANCE AND OVERSIGHT FRAMEWORKS**

### **Role and function of the Board**

The Board carries out its functions, responsibilities and obligations in accordance with the *Health Services Act 1997*, *Government Sector Employment Act 2013*, and the determination of function for the organisation as approved by the Minister for Health.

The Board has in place practices that ensure that the primary governing responsibilities of the Board are fulfilled in relation to the following standards:

- Ensuring clinical governance responsibilities are clearly allocated and understood
- Setting the strategic direction for the organisation and its services
- Monitoring financial and service delivery performance
- Maintaining high standards of professional and ethical conduct
- Involving stakeholders in decisions that affect them
- Establishing sound audit and risk management practices.

### **Board Meetings**

For the 2019-20 financial year the Board consisted of a Chair and eleven members appointed by the Minister for Health. The Board met six times during this period.

### **Authority and role of senior management**

All financial and administrative authorities that have been delegated by a formal resolution of the Board and are formally documented within a Delegations Manual for the Organisation.

The roles and responsibilities of the Chief Executive and other senior management within the Organisation are also documented in written position descriptions.

### **Regulatory responsibilities and compliance**

The Board is responsible for and has mechanisms in place to ensure that relevant legislation and regulations are adhered to within all facilities and units of the Organisation, including statutory reporting requirements.

The Board also has a mechanism in place to gain reasonable assurance that the Organisation complies with the requirements of all relevant government policies and NSW Health policy directives and policy and procedure manuals as issued by the Ministry of Health.

---

**STANDARD 2: ENSURING CLINICAL RESPONSIBILITIES ARE CLEARLY ALLOCATED AND UNDERSTOOD**

The Clinical Excellence Commission does not provide clinical services.

---

### **STANDARD 3: SETTING THE STRATEGIC DIRECTION FOR THE ORGANISATION AND ITS SERVICES**

The Board has in place strategic plans for the effective planning and delivery of its services to the communities and individuals served by the Organisation. This process includes setting a strategic direction for both the Organisation and the services it provides within the overarching goals and priorities of the NSW State Health Plan.

Organisational-wide planning processes and documentation is also in place, with a 3- to 5-year horizon, covering:

- Asset management – Designing and building future-focussed infrastructure
- Information management and technology – Enabling eHealth
- Research and teaching – Supporting and harnessing research and innovation
- Workforce development – Supporting and developing our workforce
- Aboriginal Health Action Plan – Ensuring health needs are met competently

---

## **STANDARD 4: MONITORING FINANCIAL AND SERVICE DELIVERY PERFORMANCE**

### **Role of the Board in relation to financial management and service delivery**

The Board is responsible for ensuring compliance with the NSW Health Accounts and Audit Determination and the annual Ministry of Health budget allocation advice.

The Board is also responsible for ensuring that the financial and performance reports it receives and those submitted to its Finance and Performance Committee and the Ministry of Health are accurate and that relevant internal controls for the organisation are in place.

To this end, the Board certifies that:

- The financial reports submitted to the Finance & Performance Committee and the Ministry of Health represent a true and fair view, in all material respects, of the Organisation's financial condition and the operational results are in accordance with the relevant accounting standards
- The recurrent budget allocations in the Ministry of Health's financial year advice reconcile to those allocations distributed to organisation units and cost centres.
- Overall financial performance is monitored and reported to the Finance and Performance Committee of the organisation.
- Information reported in the Ministry of Health monthly reports reconciles to and is consistent with reports to the Finance and Performance Committee.
- All relevant financial controls are in place.
- Write-offs of debtors have been approved by duly authorised delegated officers.

### **Service and Performance**

A written Performance Agreement was in place during the financial year between the Board and the Secretary, NSW Health, and performance agreements between the Board and the Chief Executive, and the Chief Executive and all Health Executive Service Members employed within the organisation.

The Board has mechanisms in place to monitor the progress of matters contained within the Performance Agreement and to regularly review performance against agreements between the Board and the Chief Executive.

### **The Finance and Performance Committee**

The Board has established a Finance and Performance Committee to assist the Board and the Chief Executive to ensure that the operating funds, capital works funds, resource utilisation and service outputs required of the organisation are being managed in an appropriate and efficient manner.

The Finance and Performance Committee receives monthly reports that include:

- Financial performance of each major cost centre
- Subsidy availability
- The position of Special Purpose and Trust Funds
- Activity performance against indicators and targets in the performance agreement for the organisation
- Advice on the achievement of strategic priorities identified in the performance agreement for the organisation
- Year to date and end of year projections on capital works and private sector initiatives.

## Corporate Governance Attestation Statement

### CLINICAL EXCELLENCE COMMISSION

1 July 2019 to 30 June 2020

---

Letters to management from the Auditor-General, Minister for Health, and the NSW Ministry of Health relating to significant financial and performance matters, are also tabled at the Finance and Performance Committee.

During the 2019-20 financial year, the Finance and Performance Committee was chaired by Mr Ken Barker and comprised of:

- Dr Leon Clark
- Dr Andrew Cooke
- Associate Professor Brian McCaughan

The Chief Executive attends all meetings of the Finance and Performance Committee unless on approved leave.

---

**STANDARD 5: MAINTAINING HIGH STANDARDS OF PROFESSIONAL AND ETHICAL CONDUCT**

The Organisation has adopted the NSW Health Code of Conduct to guide all staff and contractors in professional conduct and ethical behaviour.

The Code of Conduct is distributed to, and signed by, all new staff and is included on the agenda of all staff induction programs. The Board has systems and processes in place to ensure the Code is periodically reinforced for all existing staff. Ethics education is also part of the organisation's learning and development strategy.

The Chief Executive, as the Principal Officer, has reported all instances of corruption to the Independent Commission Against Corruption where there was a reasonable suspicion that corrupt conduct had, or may have, occurred, and provided a copy of those reports to the Ministry of Health.

During the 2019-20 financial year, the Chief Executive reported zero cases to the Independent Commission Against Corruption.

Policies and procedures are in place to facilitate the reporting and management of public interest disclosures within the organisation in accordance with state policy and legislation, including establishing reporting channels and evaluating the management of disclosures.

During the 2019-20 financial year, the Organisation reported nil public interest disclosures.

---

**STANDARD 6: INVOLVING STAKEHOLDERS IN DECISIONS THAT AFFECT THEM**

The Board is responsible for ensuring that the rights and interests of the Organisation's key stakeholders are incorporated into the plans of the organisation and that they are provided access to balanced and understandable information about the organisation and its proposals.

A Consumer Council (a joint Council with the Clinical Excellence Commission) has been established to:

1. Advise the Organisations' Boards on consumer representation within the respective organisations
2. Contribute to organisational priority setting for the Organisations.
3. Lead and facilitate effective consumer representation within and across all levels of the Organisations.

Information on the key policies, plans and initiatives of the Organisation and information on how to participate in their development are available to staff and to the public at:

## STANDARD 7: ESTABLISHING SOUND AUDIT AND RISK MANAGEMENT PRACTICES

### Role of the Board in relation to audit and risk management

The Board is responsible for supervising and monitoring risk management by the Organisation and its facilities and units, including the organisation's system of internal control. The Board receives and considers all reports of the External and Internal Auditors for the Organisation, and through the Audit and Risk Management Committee ensures that audit recommendations and recommendations from related external review bodies are implemented.

The organisation has a current Risk Management Plan that identifies how the Organisation manages, records, monitors and addresses risk. It includes processes to escalate and report on risk to the Chief Executive, Audit and Risk Committee and Board.

The Plan covers all known risk areas including:

- Leadership and management
- Clinical care and patient safety
- Finance (including fraud prevention)
- Communication and information
- Workforce
- Legal
- Work health and safety
- Security
- Facilities and assets
- Emergency management
- Community expectations

### Audit and Risk Management Committee

The Board has established an Audit and Risk Management Committee, with the following core responsibilities:

- to assess and enhance the organisation's corporate governance, including its systems of internal control, ethical conduct and probity, risk management, management information and internal audit
- to ensure that appropriate procedures and controls are in place to provide reliability in the Organisation's financial reporting, safeguarding of assets, and compliance with the Organisation's responsibilities, regulatory requirements, policies and procedures
- to oversee and enhance the quality and effectiveness of the Organisation's internal audit function, providing a structured reporting line for the Internal Auditor and facilitating the maintenance of their independence
- through the internal audit function, to assist the Board to deliver the Organisation's outputs efficiently, effectively and economically, so as to obtain best value for money and to optimise organisational performance in terms of quality, quantity and timeliness; and
- to maintain a strong and candid relationship with external auditors, facilitating to the extent practicable, an integrated internal/external audit process that optimises benefits to the organisation.

The Organisation completed and submitted an Internal Audit and Risk Management Attestation Statement for the 12-month period ending 30 June 2020 to the Ministry without exception.

The Audit and Risk Management Committee comprises three members, all appointed from the NSW Government's Prequalification Scheme for Audit and Risk Committee Independent Chairs and Members.
